

Hereby we are very proud and honoured to invite you to the

EKO Technical & Referee Seminar

*Dear Shihan,
Dear Sensei,*

*It has been a long time that a technical course was organised in Europe.
As the Shinkyokushin organisation is growing year by year, it's important we all strive for a
uniformity of techniques and kata in Europe as well as in the whole world.*

*Therefore, the Belgian organisation is very honoured to be the host of the European technical
and referee seminar 2009, in corporation with the EKO technical and referee committee.*

*For these seminar we are proud to welcome special top Karate instructors from the EKO
technical and referee committee.*

*Also the WKO top instructors will be present like Shihan Midori, Shihan Keiji Sampei and
Shihan Isao Kobayashi.*

*Included you will find all details about this seminar and the official hotel, also you can look
at our official website www.shinkyokushin.be
where you can find all information.*

We and the seminar instructors are looking forward to welcome you all in Belgium!
